

## Job Description

**Position: Chartered Building Surveyor**

**Location: Bournemouth/Southampton**

**Salary: Competitive based upon experience**

Bennington Green offers a wide range of services from project management and building surveying to quantity surveying and the resolution of multi-million-pound international construction claims. We operate throughout the UK with offices in Bournemouth, Southampton and central London.

At Bennington Green we are different. We listen to our clients and deliver what they want. We are determined and have a hands-on, flexible approach to consultancy, pulling out all the stops for our clients. Our goal is to be modern, dynamic and professional but above all our goal is to be the best.

We are looking for a RICS Qualified Building Surveyor to join our team with circa 5+ years post qualification experience. Working jointly from our Southampton and Bournemouth office the candidate will have residential and commercial surveying experience. The role will be client facing and will involve a mixture of services relating to residential and commercial property surveys. It will suit a person able to work independently, and one who is able to work confidently in an integrated team across a variety of work sectors.

We are keen to receive applications from professional individuals from either a consultant or contractor background, and from individuals who can excel in demonstrating the following core attributes and disciplines: -

- Leadership, communication and organisation
- Willingness to succeed and to take ownership
- Commercial awareness
- Building Surveys (residential & commercial)
- Contract administration and Project Management
- Dilapidations
- Planned Preventative Maintenance Schedules
- Reinstatement Financial Appraisals
